Joint Resolution #8

SENATE SPONSOR: Connor Roach
ASSEMBLY SPONSOR: Chelsea Sather

BE IT ENACTED by the 2016-2017 ASUU Senate and ASUU Assembly that:

WHEREAS, the current number of seats in the Assembly is equal to three times the number of colleges;

WHEREAS, the number of colleges will be increasing next year, and there are University plans to create more colleges in the coming years;

WHEREAS, the Assembly frequently struggles to meet quorum;

WHEREAS, the large number of seats in the Assembly impedes the efficiency of Assembly meetings;

WHEREAS, reducing the number of seats in the Assembly from three times the number of colleges to two times the number of colleges will not reduce the Assembly’s ability to scrutinize legislation;

WHEREAS, reducing the number of seats in the Assembly will make Assembly meetings more intimate and less intimidating, allowing for increased participation by all Representatives;

WHEREAS, reducing the number of seats in the Assembly will save ASUU more than $7000 annually;

THEREFORE, be it enacted by the 2016-2017 ASUU Senate and ASUU Assembly that the Assembly Bylaws of Redbook be updated and the specified changes be made in order to reduce the number of seats in the Assembly, allowing it to function more efficiently and to increase participation by all Assembly Representatives.
