Academic Evaluation & Standards Committee
Evaluates grading practices; monitors academic standards governing undergraduate student retention and graduation; studies proposed changes in university policy concerning grading practices and standards; submits reports and recommendations to the Vice President for Academic Affairs.

Academic Policy Advisory Committee
Considers any matter relating to academic policy which may be suggested by members of the committee, members of the faculty, administrative officers, or students; submits reports and recommendations to the Academic Senate.

Campus Health and Safety Committee
Serves as an advisory committee to the University administration regarding campus health and safety issues; provides advice and recommendations regarding needs, priorities and strategies to promote health and safety on campus; provides advice and recommendations regarding the adequate and effectiveness of University-wide policies that relate to health and safety matters; fosters cooperation among campus units at the University that have operational responsibility for health, safety and security; reports to the Vice President for Administrative Services.

Campus Store Advisory and Review Committee
Serves as an advisory policy committee to University Campus Store management and University administration relative to the role and purpose of the University Campus Store and to review University Campus Store policies and procedures and make recommendations as necessary; reports to the Vice President for Administrative Services.

Campus Recreation Committee
Develops and recommends changes to policies, programs, budgets, and facilities for campus recreation including open, outdoor, and intramural activities, as well as all related sports clubs; advises the Director of Campus Recreation on matters of programming; reports to the Vice President of Student Affairs.

Committee For a Technologically Enhanced Curriculum
Serves as a faculty advisory committee to the Academic Senate and the Information Technology Executive Committee (ITEC); provides advice to faculty to the appropriate bodies on policies and procedures for technology-assisted education; promotes the pedagogically effective use of technology by faculty in the curriculum; provides faculty advice to the appropriate bodies on copyright policies regarding technology-assisted education; acts as a faculty advisory panel to the Technology Assisted Curriculum Center; reports to the Senior Vice President for Academic Affairs.
**Credits and Admissions Committee**

The committee shall have authority to estimate the value of credit presented by entering students, whether for freshman or advanced standing, and shall have power to act except as otherwise provided, on all matters of admission or credit, including the granting of credit through special examinations as provided in Policy and Procedure 6-100, Section 5, paragraph 6 (approved 5/16/05); reports to the Senior Vice President for Academic Affairs.

**Diversity Requirement Committee**

Reviews course proposals submitted by faculty interested in having their courses fulfill the University Diversity Requirement; reports to the Office of Undergraduate Studies.

**Financial Aid and Scholarships Committee**

Advises and assists the Director of Financial Aids and Scholarships and the Vice President of Student Affairs and Services in the development of strategic direction and policies relative to the various elements of student financial assistance, essential to attracting and retaining the highest quality students; analyzes information to make decisions; assists in the development and administration of an equitable approach for allocating University financial aid resources among academic units, and other matters that impact the effective management of a comprehensive program of financial assistance for students. Reports to the Vice President for Academic Affairs and the Senior Associate Vice President for Student Affairs.

**Library Policy Advisory Committee**

Confers with and advises the directors of the Marriott Library, the Eccles Health Science Library, and the Quinney Law Library concerning library policies and practices; provides liaison between the Libraries and the faculty and student body; reports to the Academic Senate and the cognizant vice presidents.

**Parking System and Public Transportation Advisory Committee**

Serves as an advisory group to the administration on the University parking system and public transportation services available on campus; reviews concerns and interests from any person or group. Reports to the Vice President for Administrative Services.

**Parking Violation Appeals Committee**

Hears and adjudicates appeals from students, faculty, staff members, and University visitors and guests who are not satisfied with the rulings of the Parking Appeals Officer concerning contested parking citations issued on the campus; reports to the Vice President for Administrative Services.
**Student Behavior Committee**
Serves as a campus-wide committee with jurisdiction to hear all charges of student misconduct against individual students, undergraduate or graduate, except for those offenses which are delegated from time to time to other committees by explicit action of the Board of Trustees; has authority to impose appropriate sanctions for established acts of student misconduct; reports to the Vice President for Student Affairs and Services.

**Student Fee Study Abroad Scholarship Committee**
Administer, monitor, and implement the program; allocate scholarships by term for study abroad students; keep detailed records of allocation amounts, scholarship recipients, and budget capacity for every semester; decide policy matters on the percentage of the total year’s student fee to be allocated during each term, the specific scholarship amounts to be allocated, general rules and procedures for scholarship allocation; publish an annual report to ASUU on the amount and number of scholarships awarded.

**Senate Advisory Committee on Academic Policy**
The Senate Advisory Committee on Academic Policy (SACAP) considers matters relating to academic policy which may be suggested by members of the committee, members of the faculty, administrative officers, or students. Upon its selection of a subject for study, the committee shall notify all interested agencies within the university, including standing committees, and invite their cooperation. At least once each academic year, the committee shall submit a written report of its studies and recommendations, if any, to the Senate.

**Senate Advisory Committee on Diversity**
Provides leadership and expertise to the University of Utah community in promoting diversity in their various roles and activities; serves as a forum for the exchange of ideas within the University. The committee’s principal role is to identify issues, projects, and proposals that would further a positive climate of diversity on the University of Utah campus, would enhance relations with diverse elements in the community, and would promote appreciation of diversity in the wider community; reports to the Academic Senate.

**Senate Advisory Committee on IT**
The Senate Advisory Committee on IT (SACIT) is charged with reviewing all requests proposed to the Strategic Information Technology Committee (SITC) in order to determine which have an impact on the academic mission of the university. When a proposal is judged to have no such impact, the SACIT will return it to SITC with a note stating that it has no academic impact. When a proposal is determined to have academic impact, the SACIT will engage in discussion with and make recommendations to the SITC on the proposal; in the course of such investigation, the SACIT has the right to consult with other units on campus, including SITC, to help it reach a conclusion. This conclusion will be reported to SITC.
**Senate Advisory Committee on Student Course Feedback**
Develop a standardized “Student Course Feedback Instrument” and a standardized “Course Feedback Report” suitable for use in all credit-bearing courses at undergraduate and graduate levels; develop appropriate procedures and forms for use by all course-offering academic units; reports directly to the Academic Senate.

**Undergraduate Council**
The Council is responsible for coordinating and encouraging the development of undergraduate studies across the University and overseeing all university-wide undergraduate requirements. It is charged with maintaining a program of general education and other graduation requirements in cooperation with the academic departments and colleges. The Council reviews and evaluates proposals for new certificates, degrees, and undergraduate programs not located in or associated with graduate programs. Additionally, the Undergraduate Council collaborates with the Graduate Council in reviewing undergraduate programs based in departments that award graduate degrees. The Undergraduate Council also serves as the selection committee for University Professor and for the McMurrin Distinguished Visiting Professor.

**University Teaching Committee**
Encourages the efforts of faculty members, departments, and colleges to improve individual teaching skill, devise effective teaching techniques, recognize and reward superior achievements in teaching, suggests and encourages procedures through which students may improve effectiveness of the teaching process; makes recommendations concerning University Teaching Grants, the Calvin S. & Jeneal N. Hatch Prize in Teaching, John R. Park Teachers' Fellowships, Distinguished Teaching Awards; reports to the Vice President for Academic Affairs.

**University Promotion and Tenure Advisory Committee**
Reviews and makes recommendations in individual cases relating to retention, promotion, or tenure of regular faculty; when there are differing recommendations from any of the prior levels of review, when the cases originate in colleges/schools that are organized and function as single departments, or when recommendations are made for appointments with tenure; reports to the cognizant vice president.
