Welcome to ASUU!

My name is Christina Bargelt, my pronouns are she/her/hers, and I am the Student Wellness Chair. Thank you for your interest in ASUU Emergency Loans. I know that asking for help can be intimidating, but our emergency loan resource and the Student Resources Board is here to support you! I am proud of you for reaching out for the help you need. I also want to express my condolences regarding your troubles that led you to seek this loan. Additionally, I am always available for further support regarding your current situation or any problem in the future. I would love to set up a time where we could meet to go over the paperwork needed, so ASUU can get you the funds as rapidly as possible should you qualify. You can reach me at 303-944-7994 or by email at cbargelt@asuutah.edu. Once we’ve spoken, please fill out the attached document, scan it, and send it back to me so it can be processed.

A few things about the loan itself:
1. Any student is only eligible for one loan per school year.
2. Each loan has a cap of $250, so no additional funding can be given after that $250.
3. The student receiving the loan will be required to pay a minimum of $25 each month to pay back their loan.
4. The student will be billed on the first of each month following processing.
5. After the initial billing, the student has 11 months to pay the remaining balance on their loan.
6. How much the student pays per month is determined with Income Accounting by the student in question and the staff at Income Accounting.
7. All of this is 100% confidential unless you disclose a sexual assault, which must be reported, or you are a danger to yourself or someone else.

I look forward to hearing from you,
Christina Bargelt
