

**Attorney General of the
Associated Students of the
University of Utah**

Interpretation Request

Redbook Section in Question:

Redbook Constitution or Bylaws? Redbook

Article: II

Section: 2

Clause: 1

Requestor Information:

Name: Mitch Kirkham

Position/Affiliation: ASUU Assembly Chair

Email: mkirkham@asuu.utah.edu

Date: 09/04/2018

Question (Be as specific as possible):

If a student is to be appointed to an ASUU Government position but the student activity fee has not come due yet, are they eligible for the position? For example, if a transfer student would like to be appointed to a vacant Assembly seat and hadn't had their fee come due, would this be allowed?

FOR ASUU OFFICE USE ONLY

Attorney General: Cole McCubbins

Text of Section in Question:

"All registered students of the University who have paid the ASUU student activity fee of the current term shall be considered members of the ASUU and shall be represented by the ASUU Government."

Interpretation:

If the student activity fee has not come due for a student, they may be temporarily appointed to the position so long as they are registered for classes for the current term. After the fee deadline passes, their status should be reevaluated: if they have paid the student activity fee, they may retain their position; if not, they should vacate the office immediately and a member of the ASUU should be appointed.
